## Education

FEB 2016 - APRIL 2016

### IRON YARD, 17 Princess St, Charleston, SC 29401

Studied front end programming where I learned not only web design principles, but how to learn. Coding Instructor

Kids Class- March 2016

During my education at Iron Yard I volunteered as an instructor with the Junior coding classes whereupon I taught 6th-11th grade students web design basics.
